HOTEL

To celebrate your personal event at the Castell feels like escaping the real world, yet this piece of Mallorcan paradise is very well connected. Castell Son Claret is located just outside the village of Calvià in the west of the island, 32 km from Palma International Airport (PMI). The capital Palma can be reached in 30 minutes, and it takes only 20 minutes to get to one of the many beautiful beaches where you can tip your toes in the crystal clear sea. Or, if you feel like exploring breathtaking mountains, the Serra de Tramuntana is a short stroll from the hotel away.

Most of the suites and rooms (23) are situated in the main castle building, while further 18 can be found in the former stables, grouped around an ancient Arabic fountain and private patio. Many rooms have their own private garden or pool. Selected suites and rooms can be interconnected for families and larger parties.

*"We extend the same cordial welcome to our guests,
as we would to friends invited into our home"*
